2020 Country Music Artist of the Year: Rob Georg

BY WARLOCK ASYLUM ON JANUARY 30, 2020 · (1 COMMENT)

Rob Georg has not only proven to be a phenomenal singer and songwriter, but also one of the most innovative forces in the genre of country music to date. Georg's story is a living testimony of what can be achieved once an individual set sights upon their aims. Different than many country music artists, who were inspired by rural life along the American plains, Rob Georg is from Germany and has been able to capture the hearts of country music fans, enthusiasts, and loyalists.

2019 was a tremendous year for Rob Georg. He began one of country music's longest hit parades, releasing a slew of hits like *Dust*, *Beast Made of Steel*, and the uncompromising *Ghost*. Not only has Rob Georg created a strong platform for the genre, but he is also involved in creating other avenues and opening doors for artists in the world of country music. It is with great honor that I am happy to announce singer and songwriter Rob Georg as the recipient of the **Warlock Asylum International News 2020 Country Music Artist of the Year Award!** Congratulations!
