

PUSH THAT HORN

K. Smith (SESAC), R. Georg (GEMA)

HALF STEP DOWN

[D] I went to the [G] states [C] to be a [D] cowboy
Met a [G] man [C] who taught me how to [D] cut
He said [Em] "Boy, [C] you're gonna win it all some [D] day
So I'm gonna work [Em] you [C] night and [D] day

Chorus:

[D] he yelled [G] Push that [C] horn and I [D] did
Til [G] my hand was [C] torn and it [D] bled
If it wasn't for [Em] him, wouldn't be where I [C] am,
he gave it [G] all, so I could [D] win, so I could [G] win

[D] At my first [G] show [C] he gave me [D] advice
Sit deep in the [G] saddle [C] and try not to [D] die
So I rode [Em] out, [C] stared that cow in the [D] eye
Dropped the [Em] reins [C] and gave it a [D] try

Chorus:

[D] he yelled [G] Push that [C] horn and I [D] did
Til [G] my hand was [C] torn and it [D] bled
If it wasn't for [Em] him, wouldn't be where I [C] am, he gave it [G] all, so I could [D] win, so
I could [G] win

Bridge:

[F] Now he's in [C] heaven [G] our training is [D] through
[F] I'll hold up his [C] legacy [G] that's what I'll [D] do
[F] I miss the [C] time [G] with him on the [D] road
[F] cause it was the [C] best [G] that I'll ever [D] know

And I still hear him yell

Chorus:

[D] he yelled [G] Push that [C] horn and I [D] did
Til [G] my hand was [C] torn and it [D] bled
If it wasn't for [Em] him, wouldn't be where I [C] am, he gave it [G] all, so I could [D] win,
and boy did I [G] win
