JETZT EINKAUFEN

Rob Georg strikes again with yet another completely unexpected yet addictively enjoyable bit of songwriting. Time For Some Ink revels in the full-rock and Americana-soaked side of Georg's musicality...

While the song is notably simple and familiar in set-up, this is the main reason it works so well. Rob Georg never dusts around the central sentiments of his songs, he gets straight to the point - infusing emotion, detail and scene-setting in equal parts...

The accompanying video really helps reinforce the truthful nature and passion of the writing. Another total joy from Rob Georg. Listen loud.

The needle keeps on stinging, the pain is real - but I'll be getting a new one, as soon as this one heals.
